SAI BHARGAVI VEDULA

Area of Specialization: OB & HR

Email: sai.fpm1810@iimkashipur.ac.in

About Me:

If one were to ask my friends they would describe me as a very pleasant, diverse, active, affable and an intelligent woman. I think one of my most distinguishing characteristics is in the diversity of experiences I possess. I am a science student with a flair for the arts, a woman with technical aptitude who's enthralled by the idea of lifelong learning. I love to listen, learn, appreciate, opine and acknowledge new ideas. All these elements have given me a very broad outlook, with varying degrees of knowledge in a range of topics. I believe in the beautiful journey that determined to bring out the best in me. Although, not obvious, I strongly believe that all these qualities will further my academic endeavours.
