Admission Policy for Master of Business Administration (MBA) Batch 2023–25

This document elaborates the admission criteria that have been developed at Indian Institute of Management (IIM) Kashipur for identifying the ideal candidates for admission to its Master of Business Administration (MBA) programme. The process that is being adopted for selecting the students for MBA at IIM Kashipur for the batch 2023-25 involves two stages: Stage 1 applies to all eligible candidates who have appeared for Common Admission Test (CAT –2022) and have applied for admission to IIM Kashipur. Stage 2 applies to shortlisted candidates from Stage 1. Sufficient number of candidates belonging to different categories are shortlisted in Stage 1 for meeting the Government of India norms on the reservation.

## Stage 1: Shortlisting of candidates for Personal Interview (PI)

**Table 1: Minimum Cut-offs of CAT-2022 Percentile for each category to be used for selecting eligible candidates for PI**

Category	Cut-off Percentile ( $\geq$ )			
	Quantitative Aptitude (QA)	Data Interpretation & Logical Reasoning (DILR)	Verbal & Reading Comprehension (VRC)	Total Percentile
General	70	70	70	92
EWS	40	40	40	70
NC-OBC	45	45	45	74
SC	35	35	35	54
ST	32.5	32	25	40
DAP	32.5	32	25	40

The above criteria are the minimum requirement to be fulfilled by the candidates for being considered for shortlisting for the PI process and are intended to be the eligibility criteria and does not imply entitlement. However, the criteria, i.e., individual sectional percentile and the overall percentile, may be lowered/relaxed if the actual number of shortlisted candidates are found to be less than the required number of candidates to be called for the PI process in one or more categories. The relaxation in the cut-off criteria ensures sufficient number of candidates for each of the categories for the PI process. The participating IIMs reserve the right to have a higher cut-off than those mentioned above.
