

# INSTRUCTIONS FOR ONLINE APPLICATION

Step 1: Access <http://www.iimkashipur.ac.in/academics/mba-analytics> and click on Link 1 or Link 2. This will lead you to the registration Form.

The screenshot shows the IIM Kashipur website. The header includes the IIM Kashipur logo and name in Hindi and English, along with navigation links for Admission, Alumni Portal, FIED, नवाशय, and AACSB. The main navigation bar lists: ABOUT INSTITUTE, ACADEMICS, FACULTY, RESEARCH, EXECUTIVE EDUCATION, PLACEMENT, and STUDENTS' CORNER. The breadcrumb trail is: Home > Academics > MBA (Analytics).

## MBA (ANALYTICS)

The MBA (Analytics) program at IIM Kashipur is a two-year full-time residential programme and aims to prepare managers and future leaders who will shape the increasingly technology-oriented and data-driven world. IIM Kashipur focuses on grooming its students to acquire knowledge, skills and attitudes for leadership profiles so that they can seamlessly navigate the ever-changing business landscape. IIM Kashipur nurtures the students through a balanced mix of academics, industry exposure and co-curricular activities.

**Objectives**

The primary objectives of this programme are:

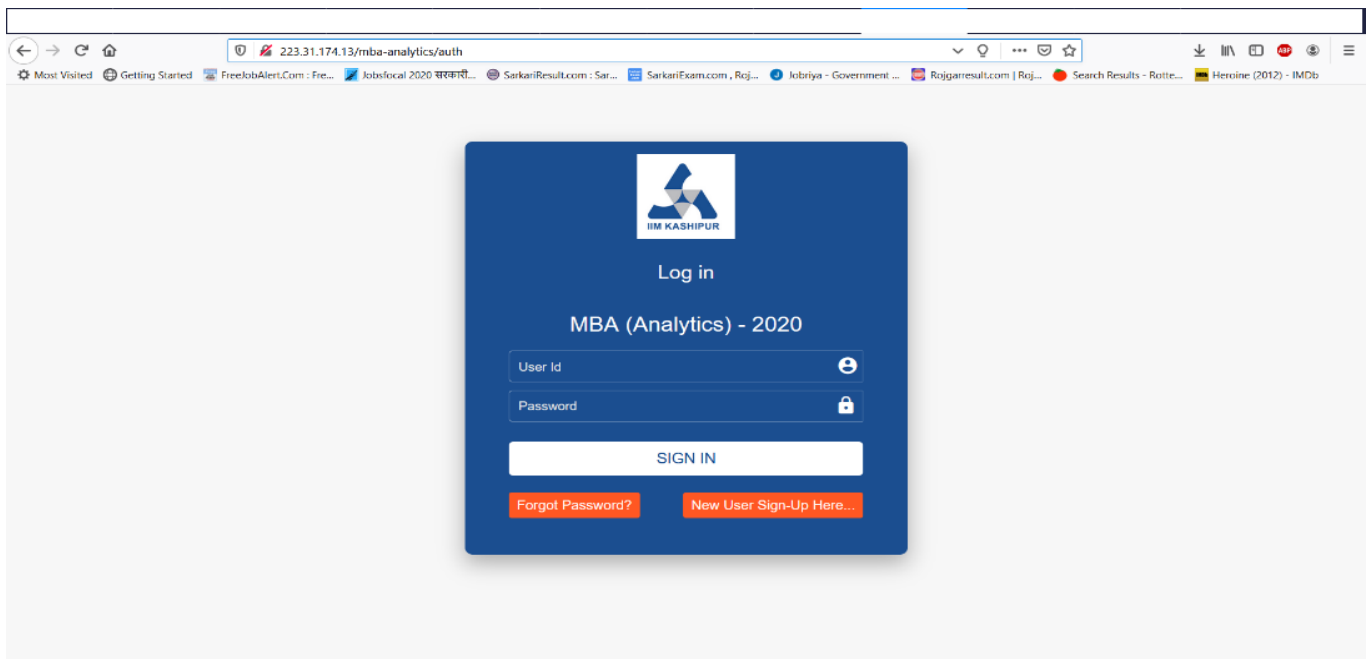

1. To provide a comprehensive learning environment for students to cope with the increasing demand for complex data analysis and thus helping organizations to make better decisions.
2. To understand the necessary principles of different forms of analytics (descriptive, predictive and prescriptive) to facilitate decision-making in practical business settings.
3. To acquire and use advanced analytical as well as managerial skills to evaluate uncertain and dynamic business environment and to make effective decisions.
4. To develop the ability to communicate business information to decision makers and policymakers.
