About Us

The Indian Institute of Management Kashipur belongs to the elite league of IIMs in India. IIM Kashipur is set up with the objective of imparting quality management education while sensitizing participants toward the needs of society. IIM Kashipur commenced operations in July 2011. The Institute offers two-year full-time residential Master of Business Administration and Master of Business Administration (Analytics) Programme and two-year non-residential Executive Master of Business Administration and Executive Master of Business Administration (Analytics). The rigorous curriculum seeks to instil a passion for knowledge and the overall developing ability to apply that knowledge to real-life scenarios. The Executive Master of Business Administration emphasizes development and inculcates the values of leadership and integrity. The programme also offers flexibility for executives who are looking for a one-year post-graduate management certificate. The graduating participants are awarded Master of Business Administration degree.

Mission

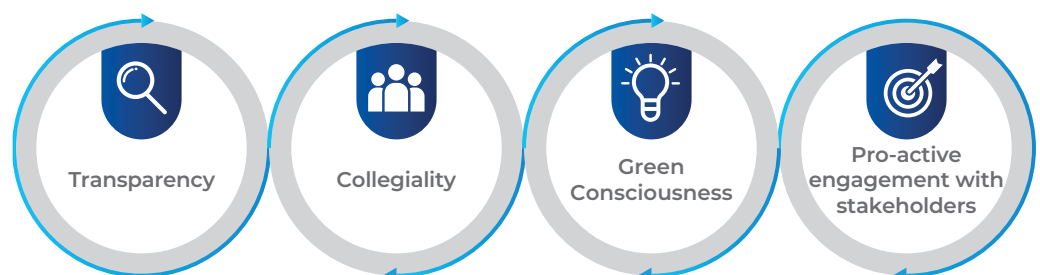

The Institute strives to create and disseminate knowledge through applied and interdisciplinary research and practices in emerging areas of management. The Institute develops socially conscious, competent, and ethical business leaders and researchers capable of critical thinking, innovation, and entrepreneurship while being inclusive and focusing on both regional development and internationalization.

Vision

To be Institute of eminence that fosters management research and education, and develops leaders for creating positive societal impact in a changing world.

Core Values

Leadership

“Executives with significant experience looking to step up to greater leadership roles would greatly benefit from our Executive MBA programme that fuses a highly tailored curriculum with special emphasis on individual leadership development. The programme seeks to expand your business acumen and fine-tune your leadership skills that would enable you to confidently find solutions to toughest business problems. Our aim is to give wings to your career by equipping you to become world class leaders.”

Prof. SOMNATH CHAKRABARTI

Director
IIM Kashipur

“Working professionals spend a significant part of their time grappling with complex and messy real-world business problems.

In the fast-paced business world executives don't get time to reflect on the wider business perspective or learn ways to boost their career. Executive MBA programme will help you build deeper strategic insight discover your leadership styles, develop capabilities to capitalize on career advancement opportunities, take on more complex responsibilities and lead decisively.”

Prof. ABHISHEK SRIVASTAVA

Chairperson
IIM Kashipur Dehradun Campus

Executive MBA

The Executive MBA is an intensive two-year post-graduate programme in management, exclusively designed for middle and senior-level professionals. This programme is a specialized programme that arms the practising executives with knowledge and skills to excel in today's rapidly changing and competitive global business environment. The programme is a rigorous classroom and online based programme. ALISHA BINDAL

Batch 2023-25

Lead Engineer - NIRA

“Pursuing an Executive MBA has been a game changer for me, helping me strengthen my business acumen and gain a solid understanding of corporate dynamics. While my professional background gave me valuable experience, the EMBA connected those insights with structured academic learning. As the saying goes, "Growth and comfort do not coexist." The challenges I faced during the course pushed me beyond my limits, teaching me how to balance competing priorities while striving for excellence. Additionally, learning from a diverse cohort of industry leaders added immense value to my personal and professional growth. I highly recommend the EMBA experience for any professional looking to elevate their career. IIM Kashipur has played an essential role in this enriching journey, and I'm grateful for the opportunity.”

SHREY KAUSHIK

Batch 2023-25

“This program offers a unique opportunity to learn alongside experts from various fields and industries, creating an exceptionally intuitive learning environment. The EMBA has helped me develop new perspectives on business and the tasks we perform, while also opening new avenues for growth in the industry. Whether through the guidance of professors or peer-to-peer learning, the EMBA has contributed significantly to my personal and professional growth. I feel very fortunate to be part of this program and to have the chance to learn from batchmates with such diverse backgrounds.”

HITESH GOYAL

Batch 2023-25

“A few lines about the course and your experience - The in-person interactions in EMBA has completely shifted how I approach both time and challenges, It's not just about better time management; it's also about thinking differently. The program and peers challenge you to unlearn old patterns, combining academic depth with hands-on, practical insights. It's been nothing short of life-changing.”

SURESH SHUKLA

Batch 2024-26

Team Manager - Hero MotoCorp

“I am pursuing an Executive MBA from IIM Kashipur. I wanted to share my experience of the course. I must say joining this course has been one of the best decisions of my life. The programme will transform me from thinking beyond my technical skills and develop my managerial & business alignment as well. This MBA has taught me time management, structure and how to work on quick deadlines. If i talk about the course curriculum its very well crafted where the professors give us proper time for each module whether its online or classroom. Also the classroom interaction helps us to broaden our horizon and enrich our learning experience. Thanks once again IIMK for such a delightful experience!”

MANISH MITTAL

Batch 2024-26

Sourcing & Supply Chain - Ashok Leyland Limited

“The first three months at IIM Kashipur's EMBA program have been a great learning experience. The courses have helped me build a strong understanding of important business concepts. I learned how marketing works in real life, how to evaluate a company's financial performance, and how people behave in organizations. Using statistics tools to solve business problems has been especially useful. Attending in-person classes was a refreshing change, allowing me to interact directly with faculty and classmates. Meeting and learning from peers with different backgrounds has broadened my perspective. Balancing studies with work has improved my time management and communication skills. I'm excited to continue this journey and grow further in the program.”

Alumni Speaks

SANDEEP BISHT

TAFE Power (Engines & DG Sets Business), TAFE Motors & Tractors Ltd.

“Learning at IIM-KASHIPUR is a dream of many & I am no exception. It's like dream come true to me. World class professors (taking name of few will be injustice to others), dedicated & highly appreciable admin staff, Up to date academic courses, wonderful & very powerful case studies (be it Harvard, Ivey or others) & techniques, excellent time management, working in Groups with diverse set of crazy & insane achievers, learning from peers & dealing with pressure in constructive way, pushing your limits to get best out of yourself is something which makes IIM-KASHIPUR EMBA Course structure class apart from others. I recall powerful lines of Peter Drucker that “Knowledge has to be improved, challenged and increased constantly, or it Vanishes”. This is something which is routinely demonstrated & exhibited at IIM KASHIPUR. Having spent last 6 months with IIM-Kashipur EMBA program, I feel more updated, structured, aligned & result oriented at my work place as well apart from personal life & academics. I love to be here & look forward to many more learnings in next 15 years which shall form a strong base for long lasting & mutually rewarding journey ahead”
