FINAL PLACEMENT REPORT

INDIAN INSTITUTE OF MANAGEMENT
KASHIPUR

Letter from Auditor

Ref: BWA/IIMKAS/MUM/RB/0001/2023-24

2-May-2023

**The Chairperson
Placements**

**Indian Institute of Management Kashipur, Kundeshwari, Kashipur,
Udham Singh Nagar,
Uttarakhand – 244713**

Dear Sir,

Re: **Audit of Placement Report for the batch 2021-23 of Master in Business Management and Master in Business Management (Analytics) Program.**

We have audited the data related to remuneration, function & location as presented in the Placement Report prepared by you for the final placement (based on the offers received and accepted on campus) for the batch of Master in Business Management and Master in Business Management Analytics Program of Indian Institute of Management Kashipur (IIM Kashipur) for 2021-23.

The preparation of the Placement Report is the responsibility of IIM Kashipur. Our responsibility is to validate the information related to remuneration, function & location provided in the report with the relevant documentation and comment on the conformance of those with the Indian Placement Reporting Standards (IPRS) Revision 2.2.

In this context we confirm the following:

1. For the purpose of the audit, we have obtained all the information and explanations, which, to the best of our knowledge and belief, were necessary. In our opinion, the data related to remuneration, function & location as presented in the Placement Report complies with the Indian Placement Reporting Standards Revision 2.2.
2. The validation of information presented in the report is based on communication received by IIM Kashipur from recruiting companies. Brickworks Analytics (BWA) has not independently sourced any information or documentation from the recruiters.
3. We have verified the information with respect to job location, function and remunerations presented in the report with communication received from recruiters by IIM Kashipur.

CIN: U74900KA2015PTC081521

- a) The information has been categorised as best as possible under different salary heads as given in the IPRS Revision 2.2; where a break-up was not available, the salary has been considered only as 'Maximum Earning Potential'.
 - b) The data points mentioned under different salary heads are representative of aggregate salary components offered to the candidates.
 - c) Stock Options have been mentioned for twenty students with details on the amount to be vested in the first year. Hence, the corresponding amount has been considered for the calculation of the 'Maximum Earning Potential'.
 - d) Long-Term benefits like ESOPs (vested after the first year), retention bonus and any other long-term benefit to be paid after the first year have not been considered for the calculation of 'Maximum Earning Potential'.
 - e) We have considered the amount of Gratuity in the calculation of MEP even though it is payable after 5 years of service as this amount is not separately available for all the candidates.
 - f) Where information on job location of some students was missing, the institute has confirmed the details on their location. An official confirmation regarding the job location details has been obtained from the Placement Chair.
4. The acceptance of offers and the number of students opting out of the placement process has been established through written communication by IIM Kashipur.
5. We have only audited the data related to remuneration, function & location (Pg. nos. 5 to 14) in the Placement report and not the placement highlights section or any additional information presented in the report.

Best Regards,

Ritaban Basu
Head – Risk & Analytics

Chairperson's Note

We are happy to announce the successful completion of the Final Placement Process for the 2021-2023 batch of our flagship program of Master in Business Administration and Master in Business Administration (Analytics).

This year, we saw active participation by 187 organizations, making a total of 340 offers across various domains, such as Consulting, Finance, HR, Operations, Sales & Marketing, and Strategy. Prominent sectors were BFSI, Consulting, FMCG, Information Technology, Ecommerce, Manufacturing, Engineering/Technology, Logistics among others.

Our students have always distinguished themselves in problem-solving and creative thinking skills, winning several case studies, incorporating both Corporate and Non-corporate competitions. Our corporate standing finished with amazing wins of 37 national level achievers in the Top Unstop Competitions, where our students proved their mettle across B-School competitions by leading with 1 National Winner, 8 National Finalists and 4 National Semi-Finalists.

These figures could not be achieved single handedly. Our recruiters have shown great faith in the Institute. The recruitment drive witnessed several new organizations joining our list of esteemed recruiters. We would like to extend our warm gratitude to all the corporate organizations and recruiting partners for shaping this success story and anticipate fruitful synergies in the coming times.

Regards,

Dr. Utkarsh
