Reply: At IIM Kashipur, Monthly House rent allowance (MHRA) is eligible only for Married scholars if they are residing outside campus accommodation with their family. Eligible amount (Not in percentage) is 5000 per month per students (Married only).

If no such accommodation is arranged in case of non-availability or any other administrative issues, in that scenario all such PhD Scholars who are not getting married accommodation may be allowed to own house on rent outside the campus and allowed for MHRA (Monthly House rent allowance) with ceiling of 5000 per student per month.

Sub: Refund of amount paid to IIM Kashipur towards acceptance of admission for PGP (2013-15)

Dear Sir,

The undersigned is directed to refer to your letter dated 25th October 2013 received on 30th October 2013 and forward the following for your information:-

S.No	Questions	Reply
a.	Why the amount of Rs.24,000/- retained by IIM, Kashipur for more than three months?	Mr. Palande you have accepted the admission offer of IIM Kashipur on May 27, 2013 and withdrawn your admission on June 11, 2013. Further we wound up the admission process by July 07, 2013. After that we have verified the documents of admitted candidates from their respective institutions within one month after taking admission. There were few students who made their registration fee by demand draft. We compiled all the account details of non-admitted candidates those who have submitted their registration fee by Demand Draft and Online mode so that we can refund their amount by similar mode.
b.	Which legal provision or government resolution allowed IIM Kashipur to retain this money? If there is such a provision, please supply a certified copy of the same.	According to fee refund policy of MHRD, the fee collected from the student, after a deduction of the processing fee of Rs 1000/- shall be refunded and returned by the institute to the student withdrawing from the programme. If student withdraw admission after joining the course, the institution must return the fee collected with proportionate deductions of monthly fee and proportionate hostel rent, books cost, outbound class, where applicable. In this regard University Grant Commission, Public Notice, F.No.1-3/2007(CPP-II) dated 23 rd April, 2007 refers. Mr Palande we were not trying to retain the refund amount of students but it is a process that is defined by admission committee and according to policy, the refund process will be done once the admission process is over.
c.	Did IIM Kashipur earn a higher rate of interest (than a saving bank account or a current account) on all such non refunded amounts of this period of three months?	No, IIM Kashipur did not earn higher rate of interest on non-refunded amount. Our motto is not to earn higher rate of interest on refund amount but being a management institution we are bound to follow a fixed process.
